A surge of development is underway on the eastern seaboard of Cyprus. Hotels are being built 20 minutes from the resort with a capacity of 20,000 rooms. Next to Caesar Resort, just a 10-minute drive away, is the Eastern Mediterranean University with a student body of 15,000 and 400 lecturers. This presents an excellent opportunity for those wishing to rent out their apartments in-between vacations. The price, as already mentioned, is the lowest in the area owing to the advanced and cost-efficient construction methods applied. The profit potential is significant as the apartments are expected to appreciate in value by 40%-60% within three years plus added profitability by renting out the apartments between visits.
